

Dress Goods.

Our present stock of high grade Dress Materials is the largest we have ever shown, and we have astonished the people of late with the prices we have been quoting for the choicest specimens of the English, French and German looms. The materials for a handsome fall dress will cost you less here than elsewhere. Investigation and comparison will convince you that this is true. For to-morrow we offer 12 lots of seasonable dress goods, of more than passing interest, at prices that defy competition.

Men's Shoes.

Something New.

pronounced by all shoemakers, after inspection and trial, as the most perfect ever made. On this new last we have had a fine line of shoes made of all the good, standard leathers, such as wax calf, box calf, patent leather and enamel; canvas lined and lined with leather, with light or double soles, in two grades, which we will place on sale for the first time to-morrow under the name of

"FOOT-MOULD" SHOES, at respectively 3.00 and 4.00.

See these shoes being made in our Sixth Avenue Window by our own workmen. That will tell the tale. Then come to our Shoe Department and try on a pair, and you will realize what it means to get a combination of perfect fit, comfort and style.

Ball Bearing Sewing Machines.

Call at our Sewing Machine Department and inspect the "VICTORY," our new ball-bearing sewing machine. It will prove a revelation to you, as it is a triumph of mechanical skill. Anti-friction ball-bearings have enabled the bicyclist to outstrip the fleetest horse and to keep pace with the fastest of railroad trains, and now the principle has been made to serve the worker, lessening the energy required to operate the machine. These machines are equipped with automatic attachments, controlled exclusively by us, which produce work possible with no others. The woodwork is in the latest design of carved oak, and is hand-polished and nickel-trimmed throughout. The machines can also be had in French walnut and Hungarian ash, in cabinets and drop cabinets. The manufacturer's name is stamped on each machine, and his guaranty, as well as our own, goes with each. Our opening price for these fine machines is but 19.00.

OUR SPECIAL MACHINE, with woodwork of polished oak, drop head and 5 drawers, giving it the appearance of a table when closed, with all the latest attachments, and fully guaranteed by us for five years from date of purchase, can be had at the special price of 14.50.

Full instructions as to the use and care of these machines given to purchasers cheerfully and without charge.

SIEGEL & COOPER

To the Countless
Thousands of Visitors
who will be in New York
to join in the
Great Dewey Celebration
The Big Store
Extends

a cordial invitation
to make themselves at home
in its great building.

Every convenience has been provided for them. There is a post-office, a telegraph office, an information bureau, a barber shop, a restaurant, right on the premises, as well as spacious waiting rooms for both ladies and gentlemen.

A stroll through this—America's largest retail store—will be an hour or two well spent. Strangers cannot obtain the proper conception of New York's commanding commercial position any better than through an inspection of its greatest store.

Our Fall Millinery

The opening display made the biggest kind of a hit, and its praises are still ringing in our ears. We thank the ladies for their appreciation of our efforts in their behalf, and for the many pleasing compliments they paid us. However, we feel that our magnificent showing merited all the praise it received, for it was probably the finest Fall exhibition of Millinery that we ever had, or that anybody else in this city ever had, and that is saying a great deal. We will endeavor to follow up our success by constantly exhibiting in our beautiful millinery warerooms all that is new, stylish and good in imported and domestic millinery. And we'll also maintain the very moderate prices that have contributed to its success, contenting ourselves with but reasonable profits. For to-morrow we offer the following attractive items:

TRIMMED HATS.—VELVET AND FELT HATS, richly trimmed with feathers and ornaments, at each, 6.00, 9.00 and 12.00.

These hats would cost you fully twice these prices elsewhere.

UNTRIMMED HATS.—Our display is unusually large and handsome, and for to-morrow we offer a few strong specials:

100 DOZ. MISSES' FANCY TAM O'SHANTERS, trimmed with quill and braid, worth 75c each, here at 39c.

100 DOZ. TWO-TONE FELT AND TURBAN WALKING HATS, with stitched cord, trimmed with quills, &c., worth \$3.00, here at 1.95.

Linings.

FANCY MERCERIZED SATEEN. In a beautiful range of colors; good value at 35c per yd.; here to-morrow at 19c.

SILK FINISHED MOREEN for underskirts, in black and other leading shades; sold all over at 50c per yd., here to-morrow at 39c.

Black and Colored Silks.

BLACK SILKS.—2,500 YARDS BLACK DRESS TAFFETA, "Pure Dye," very lustrous and soft, a superb quality in every respect and one that we feel perfectly safe in recommending to you for wear, worth fully \$1.35 per yd., at only 98c.

COLOR D SILKS.—5,000 yards of FANCY STRIPED TAFFETA, in an elegant range of new fall colors, will go on sale to-morrow at less than the present cost of production. These goods are to be seen on some of the leading retail counters of the city to-day, priced at \$1.25 per yd., yet we will sell them Monday "very special," at, per yd., 68c.

7,000 YARDS OF PLAIN COLORED TAFFETA SILKS, of good quality, in 25 of the most desirable shades, including white and black, regularly worth 70c a yd., here to-morrow at 59c.

"Rouillon" Gloves.

France still leads the world in the art of glove making, and the "ROUILLON" brand we believe we have secured the best glove in the world at the price, which is not an extravagant one by any means, fit, coloring, wearing qualities, style, &c., considered. We intend making this our leading brand hereafter until we discover something better, which we believe will not be for many a long day, for these gloves are as near perfection as gloves can possibly be. We have them in over-seam or pique, in all the sizes, and warrant every pair. They are not cheap gloves to be sure—\$1.75 a pair—but they are the best glove in the world at 1.75.

OUR REAL KID \$1 GLOVE, in 2 clasp style and all the newest colorings, is another splendid glove for the money. Ask to see them and judge for yourself.

Upholstery at Cut Prices.

We have everything in this line for the decoration of the home, and we are selling it right along at prices that are fully 25 per cent. lower than those at which the same goods can be had elsewhere. Our profits are small, to be sure, but then our sales are something enormous, and the purchasers save considerable money on their purchases, so we're satisfied all round. For to-morrow we offer another string of remarkable values, as follows:

These souvenir watches are worth every cent of \$15, yet you may have one of them to-morrow for just 5.75.

(The dials of these watches bear the name "DEWEY," who was the first to avenge the loss of the Maine, so that they are, in a double sense, souvenirs of the occasion.)

The Great Dewey Dollar Dinner

Promises to reach unexpected proportions. We calculated on furnishing 50,000 dinners to 50,000 families in New York, but at the rate orders are coming in we doubt if a hundred thousand would suffice to fill the demand.

We are therefore compelled to announce that we cannot accept any more orders for Dewey Dollar Dinners "to be delivered."

Our delivery plant, great as it is, will be able to take care of only what has been ordered up to last Saturday night, as on the day of delivery—Friday—the streets will be blocked by the Parade and we dare not expect too much of our men and horses. But we will continue to book orders for Dewey Dollar Dinners to be called for by the purchaser. It'll be just fun for your

boy to come to The Big Store Friday or up to noon on Saturday and take the basket home with him. And what a welcome he will get when he appears with his precious load!

For the benefit of those who may not have carefully noted details we again publish the menu—calculated for a family of five people.

HERE IS THE MENU:	
SOUP.	SALADS.
Purée of Tomatoes.	Lettuce and Tomato.
ENTREE.	ENTREMENT SUCRE.

Our advice in the matter won't cost you anything, whether you decide to have the garments made over or not.
